DATE: October 19, 1966

To : J. Lederberg, J. Linvill, J. M. Pettit, W. R. Rambo, and F. E. Terman

FROM : H. Heffner 2496

SUBJECT: James Webb Visit

There is some indication that in our October 29th meeting with Mr. Webb he will be referring to the memoranda of understanding which the University signed with NASA. I am enclosing for your information copies of the original memorandum related to the Clinical Sciences Building grant, and of the memorandum related to the Space Sciences Building.
